MAY CALENDAR

Garfield County 4-H Council Officer application is in google forms at https://bit.ly/GARCO4-HCOfficer

Thank you for your support as we navigate changes moving into the summer for Garfield County 4-H.

Guidance from Colorado State University is asking that we continue to teach and meet as much as possible virtually. Moving forward we must meet the guidelines set by CSU and Garfield County Public Health for 4-H.

We do know that many groups do need to meet physically for practices. Our office will work with 4-H Leaders to do the required paperwork for many different practices such as horse, dog and shooting sports.

Please watch your emails for updated information regarding practices for June. Face coverings will be required for all practices per Public Health. Please contact the office if you will need a face covering.

Thank you!

GPA: 3.848
Community Service Hours: 460
College: Colorado Mountain College
Field of Study: Elementary Education
Inspiration:

I have wanted to be an elementary school teacher since I was in first grade. I have had the opportunity to have an internship in a second/third grade classroom as a senior this year, and I have fallen in love with working with the kids. I love helping all the younger 4-H members in the community and seeing them grow as individuals as it is the most rewarding part of working with younger kids.

Through 4-H we have always had to keep record books which made us learn how to keep track of expenses, incomes, and profits and I have always wanted to bring something new to my area so with that knowledge from 4-H. I decided I would start my own business by getting my Business Administration degree. With the work ethic, record keeping, and communication skills that I have learned through 4-H this is a very real and accomplishable goal.

High School: Glenwood Springs High School
GPA: 3.3
Community Service Hours: 200
College: Colorado Mountain College
Field of Study: Business
Inspiration:

Through 4-H and my 4-H horse project, I have found my future career path. I was able to work with many trainers to learn about equine training and breeding. This work has guided my decistion to be an equine trainer/breeder. To have a successful business, I will combine my 4-H experience, training experience and acquiring a business degree to build my business slowly.

Garfield County 4-H Council

Officer Application Deadline Extended to June 1st

Garfield County 4-H Council will be accepting applications for officer positions until June 1st. Please consider submitting your application to be a part of Garfield County 4-H Council. The application is in google forms at https://bit.ly/GARCO4-HCOfficer

Serving as a 4-H council officer is a privilege and a big responsibility. Members and volunteers of the 4-H Council will depend on you to help lead and guide the club through the year. You will need to be committed to working together to carry out the goals of the council. Review the officer duties below and make a commitment to do your very best!

President

The president is the head of the 4-H council. He/she should preside in such a manner that all members will feel free to take part. A properly conducted 4-H meeting is an excellent example of true democracy. (Must be a Sr. 4-H Member)

Vice President

The vice president is the key to good council meetings! He/she should work very closely with the president in planning and preparing for meetings. (Must be a Sr. 4-H Member)

Secretary

The secretary is important because he/she keeps a lasting record of council meetings, decisions, activities and involvement.

Treasurer

The treasurer is important because he/she keeps a financial record of council spending and fundraising.

Reporter

People in your community are interested in what the 4-H council is doing. A reporter is responsible for seeing that they and clubs are informed about council activities.

Historian

The historian is responsible for keeping a record typically as a scrapbook of the 4-H Council activities for review by future 4-H Council and club members.

Senator/Alternate Senator

Garfield County elects 2 alternate senators yearly. This is a 2 year position. This position represents Garfield County as part of District 9 at regional and state level meetings. Senators are part of the planning committee for District 9 4-H Retreat. They also attend LDC and State 4-H Conference.
(Must be a Sr. 4-H Member)

Garfield County Mask Project

Community Service Project

Garfield County 4-H, CSU Extension and GarCo Design Works are participants in the Garfield County Mask Project using patterns from the Colorado Mask Project. This is a great community service project, if you can help us sew masks.

We need your help making masks. We have uploaded one pattern, however there are more patterns located on Colorado Mask Project.

Necesitamos tu ayuda para hacer máscaras. Hemos subido un patrón, sin embargo hay más patrones ubicados en Colorado Mask Project.

Check out the the Facebook page at https://www.facebook.com/GarCoMaskEffort/.

Please post your photos on this page or CSU Extension page, https://www.facebook.com/CSUEGarfieldCounty4H/, so that business and essential workers can say thank you!

4-H Families who know of organizations or businesses who are essential at this time, please let them know that they may request masks at bit.ly/GarCOMaskRequest

WARNING: These masks have not been scientifically tested and are not FDA approved. These masks are intended to reduce the spread of COVID-19. These masks can block respiratory droplets of coughing of sneezing patients - the principal way the virus is spread. However, they are not guaranteed to prevent the wearer from contracting COVID-19.

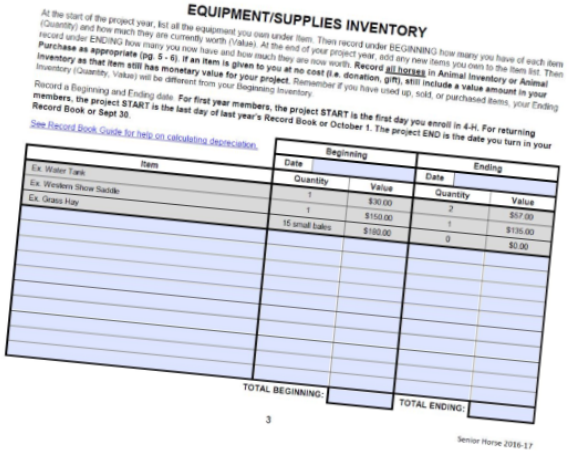
Record Book Tips

Equipment/Supplies

For first year members, the project start is the first day you enroll in 4-H. For returning 4-H members, the project start is October 1st of the 4-H year. The project end date is the end of the 4-H year of September 30th of the 4-H year.

The next page that you can start completing is the Equipment/ Supplies page. The page for this will vary depending on the project record book. For example, the livestock record book equipment/supply inventory is page 3 and shooting sports is page 4.



EQUIPMENT/SUPPLIES INVENTORY

At the start of the project year, list all the equipment you own under Item. Then record under BEGINNING how many you have of each item (Quantity) and how much they are currently worth (Value). At the end of your project year, add any new items you own to the item list. Then record under ENDING how many you now have and how much they are now worth. **Record all horses in Animal Inventory or Animal Purchase as appropriate (pg. 5 - 6). If an item is given to you at no cost (i.e. donation, gift), still include a value amount in your inventory as that item still has monetary value for your project.** Remember if you have used up, sold, or purchased items, your Ending Inventory (Quantity, Value) will be different from your Beginning Inventory.

Record a Beginning and Ending date. **For first year members, the project START is the first day you enroll in 4-H. For returning members, the project START is the last day of last year's Record Book or October 1. The project END is the date you turn in your Record Book or Sept 30.**

See Record Book Guide for help on calculating depreciation.

Item	Beginning		Ending	
	Date		Date	
	Quantity	Value	Quantity	Value
Ex. Water Tank	1	$30.00	2	$57.00
Ex. Western Show Saddle	1	$150.00	1	$135.00
Ex. Grass Hay	15 small bales	$180.00	0	$0.00
TOTAL BEGINNING:			TOTAL ENDING:

4-H Shooting Sports Inventory

Make copies as needed. All members must complete the inventory page as well as the activity log for all disciplines in which you are enrolled.
List ALL equipment that you use as part of your shooting sports project. It is not important that you personally own the equipment. It can be given to you or borrowed by you. Do not list ammunition.
